

CLIENT FEES FOR EARLY CHILDHOOD EDUCATION AND CARE **AS OF 1st of August 2024**

- client fees for early childhood education and care are tied to the social and health care price index, income limits to the index of wage and salary earnings; revision every two years from the beginning of August (increases/decreases the accrual of payments)
- All minors living at the same address of the family (under 18 years) are included in the family size (=actual size of the family)
- Highest fees: maximum fee for the youngest child **€311** and **the next child fee 40% of the first payment, i.e. €124** for each subsequent child **20%** of the first payment, maximum **€62.00** The lowest fee charged is **30 €/month**
- A contribution rate based on the size of the family for monthly income above the minimum income limits. If the size of the family is more than six (6), the income limit on which the contribution is based will be raised **by EUR 275** for **each of the following minor children in the family as of 1.8.2024:**

Family size, persons	Income limit €/month	Highest payout percentage %	Income not yet charged €/month/br	Income that goes to the highest €/month/br
2	4066	10,70	4346	6974
3	5245	10,70	5520	8152
4	5956	10,70	6231	8863
